“Report on Feedback for A.Y. 2019-2020”
(Syllabus and Course Content)

Feedback on 'Syllabus and Course Content' is sought from the students and various other stakeholders such as teachers, employers including advocates and law firms and alumni online through Google Form. The feedback link is activated in the month of May/June every year for a period of 15 days. IQAC prepares a notice for all stakeholders and calls upon them to give feedback on Syllabus and Course Contents. Orientation sessions are organised for the students giving details of the role and importance of feedback and action taken by the College on the responses of the stakeholders.

The students and alumni fill up the questionnaire and get them filled up from employer, advocates and law firms known to them.

The output of the Feedback is generated online in Excel and analysed by IQAC with the help of teachers and office staff. The reports so generated are shared with the Principal and forwarded to the Board of Studies, Faculty of Law, University of Mumbai.

Action Taken on Feedback on Syllabus and Course Content

Various stakeholders evaluate the Syllabus and Course Contents of each Programme on the basis of the following 15 parameters:

1. Depth of the course content
2. Extent of coverage of course
3. Relevance of course content
4. Project work, if any.
5. Clarity of course
6. Updating of course
7. Learning value
8. Availability of references

Best Practices About Gender Sensitivity

Best Practice 1

1. Promotion of gender equality

Best Practices 2

1. Providing equal opportunities to all the male & female students for research and studies.

I have conducted a study of various activities organized by Anand Vishwa Gurukul College of Law , Thane during the period 2021 to 2022 in order to provide equal opportunities to its women students.

I conclude that the college has taken various initiatives to protect and promote the interests of its women students.

However, I suggest the following recommendations :

- a. Self Defense
- b. Prevention and Protection against sexual harassment
- c. Women related health issues
- d. Vocational courses suitable to women
- e. Laws enacted for the betterment of women
- f. Awareness on problems less discussed such as menstruation
