ABOUT THE COLLEGE

Sharda Education Society's Anand Vishwa Gurukul College of Law was established in the year 2016 to promote the noble cause of spreading legal education for all the sections of the society in the fast-growing city of Thane and its surroundings without any discrimination. The Trust Society started its academic services by establishing a primary school which subsequently led to the establishment of a Junior college. To cater to the higher education needs of locals, the Trust took a bold step to establish a degree college which was later extended to establishment of a Law college for 3 years LL.B course and 5 years BLS course and later in 2021, it also started providing Post-graduate degree in law including LL.M and Diploma & Certificate courses in various subjects of Law. The Trust aims to make Legal education available at an affordable cost to the needy and underprivileged section. This is in perfect tune with the vision and mission of the institution.

In order to cater to higher educational requirements of working classes, the College has kept evening batches for the Courses of 3 years LL.B degree and LL.M degree.

The Law College was founded in the year 2016. It is affiliated to University of Mumbai and is recognized by the Government of Maharashtra. The College offers Diploma Certificate Courses in Labour Law and Cyber Law. The College boasts of having spacious Building, Canteen, Open Air Auditorium, Playground and other facilities. All Class Rooms, Corridors and Library are under the surveillance with CCTV camera. The dedicated and devoted staff members take keen and active interest to shape career and personality of students. The College offers a number of Add-on Courses and Certificate Courses to bring about professional development of students and provide them job opportunities.

A number of curricular, co-curricular and extra-curricular activities are organised to bring about all round development of its students. Students are also encouraged to participate in inter-collegiate events.

VISION AND MISSION

To establish itself as a centre for legal education with student-centred goals that prioritise the development of superior legal knowledge and professional practise readiness. Our aim is for our graduates to have the fundamental skills needed to start a legal career. a law school committed to promoting social justice, welfare, and human dignity via the study of the law and cultivating compassionate citizens.

MISSION

We are dedicated to providing a scholarly atmosphere, accessibility, and excellence by fostering a warm and active learning environment that disseminates thorough legal knowledge. Through creative programmes, collaboration with the community and academia at all levels of our work, including teaching, scholarship, public service, and public policy, we seek to provide our students with the widest possible range of participation and experience opportunities. Each student receives individualised attention as we work to develop their intellectual curiosity, capacity to integrate legal theoretical knowledge with practical abilities, professional values, and dedication to lifelong learning.
