At Anand Vishwa Gurukul College of Law, we have a mechanism for assessing the learning levels of students at the entry level and also during the course of programme to devise special policies to deal with them as per their learning levels.

A. Strategies for the Assessment of Learning Levels of the Students:

At Anand Vishwa Gurukul College of Law, we identify the slow learners and advanced learners at the entry level on the basis of their **scores in the CET Examination**. Thereafter, we regularly assess their learning levels through regularity in the class, class interactions, mentoring sessions, participation in co-curricular and extra-curricular activities, and performance in continuous internal evaluation (CIE).

B. Institutional Policies to Bridge the Learning Gap:

- (1) At Anand Vishwa Gurukul we organise **orientation sessions** for the new entrant to acquaint them with the vision, purpose, and values of our institute, as well as teaching-learning and assessment practices.
- (2) Professors at our institute adopt **bilingual mode of instructions**, as many students are from vernacular medium. This enhances their confidence and gives them the freedom of expression. The students can write their answer papers in 'English' or 'Marathi'.
- (3) At Anand Vishwa Gurukul we hold regular mentoring sessions for students. **Student mentors and teacher mentors** are assigned to mentees for discussing their problems, guiding them and inviting their suggestions.
- (4) Our Institute provides **remedial coaching** for the academically weaker students based on their performance in the examinations. This helps the students to enhance their performance in the examination and also helps our institution in achieving more than 95% results at the final year examination.

- (5) Our Institute provides **intensive coaching** to the advanced learners in the form of practical assignments and mentoring work of juniors. The advanced learners are also assigned the coordination work of moot court and field visits.
- (6) Our Institute organises **field visits** for our students to the police stations, jails, courts, Bar Council of India, Supreme Court of India for providing them first hand information about their structure and functioning. Students are encouraged prepare and submit reports on such visits.
- (7) Our Institute organises **moot court** for the students. The students are given propositions on which they prepare memorials for both sides. This enhances their ability of critical thinking and also gives them practical experience about the court room environment.
- (8) Anand Vishwa Gurukul has constituted various statutory committees such as **Anti-ragging Committee, College Grievance Redressal Committee and Internal Complaint Cell (ICC)** to comply with the statutory regulations, central government & state government guidelines.
- (9) Our Institute organises **seminars, workshops and guest lectures** by **eminent personalities and academicians** to enhance the learning experience of the students.

C. Department Level Programmes to Bridge Learning Gap:

- (1) At Anand Vishwa Gurukul we conduct bridge courses for undergraduate students seeking admissions to LLB (5 years) programme to bridge gaps between the curriculum at Higher Secondary level and UG level.
- (2) At our institute teachers makes the teaching-learning process more engaging by using debates, quizzes, case studies, class discussions, chapter summarisation, assignments, presentations, class examinations, and vivas.

- (3) All class rooms in our institute are **ICT enabled with smart classrooms**. The College has subscribed to “Law Finder”, which is a reservoir of knowledge for law faculty.
- (4) In Anand Vishwa Gurukul, we encourage advanced learners at UG Level and PG Level act as **student mentors** for the slow learners. Mentoring sessions are organised by them at regular intervals to assist juniors, especially slow learners, to cope up with complicated courses.
- (5) Several **Certificate Courses** have been organised by our Institute to help students to enhance their learning abilities.
