**Sharda Education Society's Anand Vishwa Gurukul College of Law** is one of the fast growing legal Institution for **LLB (3 years), BLS LLB (5 Years) & LLM in Mumbai Suburban & in Maharashtra** state.

**Internal Quality Assurance Cell (IQAC)** was established in the college on **11<sup>th</sup> July, 2017** for enhancing the quality of academics. The College is already undergoing the accreditation process through NAAC in the year 2023. The IQAC team has been working with great efforts for development and quality enhancement of the college. In the last five years, the college alongwith CDC & IQAC has tried its best for the growth of the college. Now its priority has been for NAAC Accreditation with good grades.

In future IQAC team of our law college will try for the commencement of various innovative & best practices for achieving academic excellence. The IQAC team will try to stay connected with the faculties & students to improve overall performance of the college. It will take efforts to connect as a link between the faculties and administrators.

The Faculty Development Workshop and Seminar will be organised by the IQAC team to improve the performance of faculties in the college. These activities will help the faculties to motivate the students to bring out their creative potential. The Faculty exchange programme will help the students to boost their legal knowledge. Efforts will be taken to have improvement in Teaching – Learning process.

New MOU's will be made with reputed law institutions, National Law Universities and Research organisations of National and International level. The students will take the benefits of the intensive knowledge of the esteemed faculties from various legal institutions through the faculty exchange programme.

**IQAC ACTION PLAN 2023-2024**

The research contribution of the students and the faculties will be increased by organizing various workshops and seminars on Research methodology. The efforts will be taken to encourage the spirit of legal research among the students. The students will be provided not only with the knowledge of Law but also with the promotion of research culture for the advancement of human dignity, social welfare & justice. The efforts will be taken to produce compassionate members of the society from the students by encouraging the spirit of legal research.

The students and faculties will be encouraged to write research papers, research articles in well recognized journal and books to promote the research culture among them. The faculties and the students will be motivated to participate in National & International seminars and conferences. The special efforts will be taken to establish the Research Centre for PhD in Law under the purview of University of Mumbai.

The IQAC team has perspective plan to commence the PG Diploma courses in Forensic science & Medical Jurisprudence, Securities & Taxation Laws & Certificate course in Commercial Arbitration etc.

The non-teaching members are the backbone of the college administration. The awareness about the information technology, health and hygiene will be created among them through various Seminars and Workshops. The opportunity will be given to them to enhance their knowledge about the computer through special training sessions.

New Education Policy 2020 has been introduced by the government. As per the NEP 2020, Legal education needs to be competitive globally, adopting best practices. Legal education must be embraced with new technologies for wider access to and timely delivery of justice. At the same time, it must be informed and illuminated with Constitutional values of Justice – Social, Economic, and Political and directed towards national reconstruction through instrumentation of democracy, rule of law, and human rights. The efforts will be taken to implement the policy in a
